

We are excited to invite you to experience some of the wonderful things that the beautiful Finger Lakes region of New York State has to offer. Many have compared this area to parts of Europe with its hills, narrow lakes and spectacular views. Millions of visitors are drawn here annually to enjoy its scenery, wineries, historical sites, and museums. It's our home, and a great place to live, work, and enjoy early cars.

As a bonus, we will leave the Finger Lakes region one day, driving north to visit Lake Ontario, one of the Great Lakes, where we will explore that beautiful area.

Please consider joining us for an enjoyable week of early motorcar touring.
