President's Message

April 2016

Greetings Folks,

Our first order of business is to congratulate Matt Canavan on his continuing efforts as our webmaster. He earned a well deserved Award of Excellence for the Wayne Drumlins website for 2015. Congratulations Matt.

Thanks also to Hank and Donna for hosting a well attended dinner at the Blue Ribbon Restaurant prior to our March meeting.

With the advent of nicer weather, many of us are contemplating getting our favorite ride out and going on a road trip. Where should we go? We are certainly blessed in our region with many possibilities featuring spectacular scenery and abundant history. One trip which combines both elements is historic Route 20. I am not suggestion traveling the full length from Boston Commons, Massachusetts to Newport, Oregon, 3365 miles. Route 20 is the longest road in the United States according to Wikipedia and is a transcontinental highway, as designated by having a 0 as the last digit in the route number.

Though not completed until 1940, parts of route 20 can be traced back as far as the Boston Post road in the mid 1730's. Much of Route 20 from Illinois eastward follows the general path of the old Yellowstone Trail, established in 1912. The Yellowstone Trail was primarily a western "road", but it extended from Seattle, Washington to Plymouth, Massachusetts.

Route 20 has been the preferred, or only, route of travel for some his-

Secretary's Minutes

MARCH 2016 MINUTES

The March 16, 2016 meeting was held at the Phelps Community Center. It was opened at 7:20PM by our President Dick Stearns and began with the Pledge of Allegiance to our flag. 32 members were present. We had Mike Saless from Legendary Auto Interiors as a speaker and birthday cake for Amy Ressue's 90th before the meeting. She gave us some facts about the Club when it was started. Mike talked about Marty's Chop Shop and a lot of the individual things they do at Legendary.

The meeting started at 7:42PM.

SECRETARY'S REPORT - A motion was made by Pete Empson and Stan Herdman to accept the February minutes. Seconded by Joel Neal. Motion carried.

TREASURER'S REPORT - Rita Canavan, Treasurer, reported on our accounts.

BOARD OF DIRECTOR'S REPORT - Matt Canavan had nothing to report, except that Jean and Pete Empson received an Award of Distinction for the years of doing The Headliner along with the Website receiving an Award of Excellence with AACA.

SHOW COMMITTEE - There was a meeting on Wednesday, March 9th to discuss what Dave Dorf did in regards to the Car Show. There is a printed list of what was covered in case anyone is interested. It was discussed about having George and Marion put together a manual of what they do to get certain things done for the Car Show. We are still in need of one or two individuals to take over for George and Marion.

MEMBERSHIP COMMITTEE - Hank Goellner, Chairman, is getting ready to publish the 2016 Roster. Let him know of any corrections or additions in the roster and is still taking dues.

CONCERNS FOR MEMBERS AND ANY CORRESPONDENCES RECEIVED - Menna Berry is home and in a wheel chair. Dorothy Marino is out and about after some health issues. Pam Heald's father passed away on March 15th. Donna received two new membership applications along with a form to list our Club Car Show in the Antique Automobile magazine. She also reported on the Shortsville Fire Department Carnival and Parade on Friday, June 17th at 7:00PM.

BUY SELL OR TRADE - None

OLD BUSINESS - None

NEW BUSINESS - The Ladies Luncheon is Saturday, March 19th. There are about 16 signed up. President Dick reported that the membership business cards are ready. He has extra Headliners in case anyone would like an extra one to pass out to a possible new member. The Dunkirk Flea Market is on May 20th to May 22nd. National would like us to host a regional event.

UPCOMING EVENTS FOR 2016: To be listed in the Headliner.

President Dick thanked the refreshment committee which consisted of Pam and Steve Heald for providing the cake. Also for Hank and Donna Goellner for hosting the dinner before the meeting at the Blue Ribbon Smokehouse Restaurant. There were 28 present.

Refreshments for the next meeting on April 20th will be Rita Canavan and Isabel Potter to be held at Phelps Community Center.

The Door Prize winner was Joe Chiaverini. The 50/50 winner was Donna Goellner.

The meeting was adjourned at 8:01PM by a motion from Rita Canavan and seconded by Ann Rapp.

Respectfully submitted by:
Donna Goellner, Secretary

Our Sympathies

Pam Heald's father, Chester A. Peters passed away March 15th, 2016 at age 96.

Wayne Drumlins celebrated Amy Ressue's 90th birthday at our March meeting.

*A special thanks to
The Wayne Drumlins
for helping to celebrate
my Mile Stone Birthday.
It was greatly appreciated
Amy*

A note from our Board of Directors

From the Board Chair:

I said at our last meeting that I had nothing to report. This was not correct. As is our practice at the beginning of each new year, Club finances for the previous year are reviewed. This is done by Club member Charlie Bauder. He sent me a report that 2015 Club finances were generally in good condition. Charlie reconstructed some incomplete data and noted that we did not make a 2015 contribution to the Phelps Community Center. This is being rectified. Our thanks to Charlie for performing this vital and knowledgeable service for our Club each year.

Matt Canavan, Chair

We were very interested in the memories Amy Ressue shared with us at the March 16th meeting and we 'fairly new' members would be interested to learn a little history from our other long-time members.

Recently we have emphasized recruiting new members; however, we all know that our long-time members are the 'heart' of the club. Anyone interested should contact Pete Empson to be added to the program at one of our regular meetings.

Your editors need your help

We are still in need of member car photographs for our cover. If you have one to share, or you need to have one taken, please contact Dick to make arrangements.

Thank you.

The Wayne Drumlins Antique Auto Region
The purpose of this Region shall be to supplement the activities of the
Antique Automobile Club of America and to provide mutual enjoyment
for members

Dec	Christmas Family			
14-Jan	Annual Banquet/ Brunch			

Message from the Vice-President

On April 20th at the regular meeting of Wayne Drumlins Car Club, Janie Burgess, Executive Director of the Phelps Community Center will come in at 7:30 to tell the membership about the history of the Community Center. She will inform us of what is available to the community center such as a public library, child care, programs for kids, Village Offices, Police Dept. and Taekwondo lessons, etc. Should be interesting. Jean and I will not be able to attend the April meeting. Matt will be doing the 50-50 and door prize for me. We will see you at the May meeting.

Pete

Looking Ahead

Anne Rapp requests everyone start thinking about the July Wizard of Clay / Lunch at Schooners gathering. She will need a head count at our June meeting.

Any member who would like to host an event not already listed in our calendar is encouraged to contact Pete Empson. Remember, this is your club. Activities are what keeps everyone interested.

Anniversaries

Sally & Ed Morrow 4/20
 Allie & Dick Weis 4/26

Birthdays

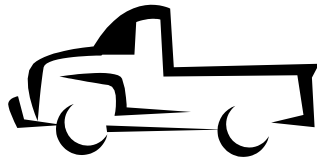

Happy Birthday to:

Pete Empson 4/17
 Steve Heald 4/17
 Phil Dean 4/25

By Request

We have received requests for information as to where to purchase Wayne Drumlins apparel. Here it is.

RAZZLE DAZZLE DESIGNS
 1231 State Route 88 Phelps, NY 14532

 Please email us at:
lepreston@yahoo.com

Some members have suggested that we list the local cruise nights for members who wish to participate on really nice summer nights (which will be becoming sometime.) To the right is a list of several cruise nights for which we currently have information to share.

This is not a recommendation by the club and is for information purposes only. Please let us know if you have information to share and we will include it in the next edition.

Monday

Victor Town Cruise nights

Starts May 26th

President's Message continued from page 1

toric events. The 1908 Great Race from New York to Paris passed through Canandaigua with an overnight stop in Geneva. In 1915, Emily Post and her son embarked on an automobile trip from New York City to San Francisco, along the only available route at the time, New York to Albany then west on what has evolved into Route 20 to Chicago.

Locally, there are many attractions along Route 20 from fine dining to entertainment to museums and historic sites. If one considers the Route 20 corridor, rather than the specific highway, there is even more to see and do.

In Auburn among other attractions is the Seward House Museum. Seneca Falls has the Seneca Museum of Waterways and Industry, the Elizabeth Cady Stanton House, the Women's Rights National Historical Park, and the National Women's Hall of Fame to list only a few. Geneva is home to Rose Hill Mansion and the Johnston House as well as the Smith Opera House. Moving west to Canandaigua there is The Granger Homestead and Carriage Museum, Sonnenberg Gardens, and CMAC Performing Arts Center. Bloomfield is home to the Antique Wireless Museum, the Vintage Tracks Museum, and slightly to the north is the Ganondagan State Historic Site. Lima features the Tennie Burton Museum. Just south of Avon on route 39 is the historic five arches bridge on the route of the old Erie Electric inter-urban service from Rochester to Mount Morris.

These are but a few of the points of interest along one of our most historic highways. Consider taking a ride sometime this summer.

See everyone at our April 20th meeting.

Dick Stearns

1966 Chevy Impala SS

Owner Bill VanDeWeghe

24k mile original car. Besides low mileage, some unique features of car are: It is equipped with factory Muncie four speed transmission, 283 cu.in. 2bbl. engine with single exhaust, and positraction rear axle. Apparently the original owner had some specific ideas when he ordered car.

I purchased it from the second owner who bought it at the original owners estate sale. It had been parked in 1990 and not driven until 2009 when second owner had it serviced and again made roadworthy again. I purchased the car last year out of Imperial Mo.
