President's Message *August 2017*

Greetings Folks,

I hope everyone has been enjoying their summer. Other than the excessive rainfall, it has been rather pleasant. Perhaps it has mostly rained itself out. Lets hope so because, **ITS SHOW TIME.**

Looking at the sign-up sheets after our July meeting, there were too many blank spaces to make me happy and I'm not even the show chairman. We need everyone to participate to the best of their ability without jeopardizing their health. This will be the last chance to be a part of a Wayne Drumlins Region car show and flea market.

Speaking of show related activities, we will hold our Monthly Meeting on the second Wednesday of August, the 9th, as is tradition, even though this will be more than one week before the show. This allows time to iron out any last minute glitches without having to go into panic mode. Also there will be the usual family picnic after set-up on Saturday. Bring a dish to pass and your place settings. Hots, Hamburgers, and Italian Sausage (?) will be provided by the club.

In other news. All three Rochester area antique auto clubs, Horseless Carriage, GVACS, and Wayne Drumlins, have come forward to support the proposed 2018 AACA Reliability Tour. This is restricted to pre 1916 cars and the field is expected to be limited to about sixty entrants. Target date for the tour is September, 2018, and it will be a hub tour with Canandaigua as the hub. Steve Heald has been nominated Tour Chairman and has requested two members from each club to serve on the organizing committee. I am happy to report, we have two members who have agreed to be on this committee. There are a myriad of details to be worked out and you can

Secretary's Minutes

JULY 2017 MINUTES

The July 19, 2017 meeting was held at the home of Pete and Jean Empson. It was opened at 7:40PM by our President Dick Stearns and began with the Pledge of Allegiance to our flag after everyone made their ice cream sundaes (a yummy variety). What a pleasant evening, a little bit on the warm side in the garage. Thanks for having us. 33 members were present.

SECRETARY'S REPORT - A motion was made by Pam Heald to accept the June minutes. Seconded by Stan Herdman. Motion carried.

TREASURER'S REPORT - Ann Neal, Treasurer, reported on our accounts. A motion was made by Rusty Smith to accept this report. Seconded by Marion O'Neil. Motion carried.

BOARD OF DIRECTOR'S REPORT - Matt Canavan stated that the Website is up to date with our show flyer on it.

SHOW COMMITTEE - We are to bring a dish to pass/place settings, with hot dogs, hamburgs and maybe Italian Sausage to be provided on Saturday, August 19th after we are done setting up for the Car Show. Come at 9:00AM to set up. Bring door prizes on Saturday if possible (see about getting businesses to donate). We will be using last years field day layout. Amy Ressue has 4 young gentlemen and 1 young lady to help so far. Someone from the club would be designated that the runners would come to with any questions. Pete Empson and Matt Canavan will get lanyards and hats for the runners to wear to distinguish them for assistance out in the field. The raffle tickets are available and were handed out. Steve Heald has new sign up sheets, along with last year's for everyone to see what they did last year, with many of us multitasking during the day. We are still in need of sponsors. So far Ann Neal has 39, 19 paid, 6 pending and 4 declined. The deadline was July 10th in order to get the information to the printer. Stan Herdman has a wheel to be used for the field setup.

UNFINISHED BUSINESS - Steve Heald reported on the 2018 AACA Reliability Tour in mid August. There was a meeting held on Thursday, July 6th at MacGregor's in Canandaigua to brainstorm with HCAA, GVACS and Wayne Drumlins membership representatives to determine the possibility of combining the 3 groups efforts for hosting a week long AACA style Reliability Tour for Pre-1916 cars (would be about 60 to 70 cars) to be held in the Finger Lakes Region (host hotel would be the Inn on the Lake in Canandaigua). Hank Goellner took minutes and has copies for anyone who might like one. Motion made by Joe Marino and seconded by Joel Neal to help with the tour. Motion carried.

CONCERNS FOR MEMBERS AND ANY CORRESPONDENCES RECEIVED - Verna Mendola's birthday is today and Phil is doing good.

BUY SELL OR TRADE - Stan Herdman has a 1942 Chevrolet truck for sale.

UPCOMING EVENTS FOR 2017: To be listed in the Headliner. Joel Neal is still looking for anyone to do an event.

rest assured, Steve and his committee will be looking for all sorts of help as the plans are worked out. The jobs will be many and varied with opportunities for all with every attempt made to find the right job for the right people. Remember, we are not in this alone. Progress updates will be presented at our club meetings and by any other means deemed appropriate by the committee.

Relax and enjoy the nice weather while we have it, there is work ahead of us.

Bill VanDeWeghe is the proud owner of this beautiful 1972 Chevelle Malibu . Bill lists the vitals as 307 cu.in. engine with a Turbo 350 transmission. The car has factory A/C and power steering. This low mileage gem has only 33,000 miles on the clock and Bill is the third owner.

Thanks Bill for sharing.

Since August is usually our warmest month of the year, we offer this cooling thought. This is downtown Rochester in November, 1944, during what is called the blizzard of '44. On the right, part way down the block, is the Democrat and Chronicle building but, this is not the area of Broad and Exchange Streets. Can anyone identify the location? There is no prize for the correct answer and I haven't figured it out yet myself.
