President's Message *February 2015*

Greetings Folks,

We are in for a real treat this summer. During the week of June 22nd to June 26th, there will be a steam car tour headquartered at The Inn on The Lake in Canandaigua. Preliminary estimates are thirty to forty cars, all steam powered. The participants, all members of the Stanley Museum in Kingfield, Maine come from all across the country and every year they have two or three tours in various parts of the country. This group of dedicated steam fans, a small portion of the Museum membership numbering perhaps less than one hundred, are all firm believers in driving their cars, not just collecting them. Typically, these folks drive their steamers up to five hundred miles per year.

The tour is being organized by three couples. One couple, formerly from Rochester, now lives in Georgia. The other couples are from Connecticut and Illinois. Steve Heald and I have met with the Illinois couple and shared thoughts and ideas to help plan their tour. Thank you Steve for your input, it is greatly appreciated. If anyone else was contacted for help, I am unaware but please accept my apologies for not giving you due credit. There is a probable need for some of our members to volunteer as test drivers to confirm the accuracy of the various tours ranging from sixty to one hundred miles each prior to the actual meet.

Check in day will be Sunday, June 21st which also happens to be the annual Sonnenberg Gardens Father's Day car show. Some of our visitors may attend the show either as spectators, or with their cars. Time will tell but certainly they would be most welcome, and they are being made aware of the show as the tour package is put together. As planning progresses and details fall in place, whatever information is available will be passed on.

See you at the February meeting unless you have fled south to avoid the chill, in which case we anxiously await your return.. Please bring warm weather back with you.

Dick Stearns

Our Sympathies

Pamela and Steve Heald on the passing of Pam's mother, Pearl Peters.

DECEMBER MEETING MINUTES

There was no official meeting in December, however, we did meet at Vienna Gardens in Phelps. We provided the Senior Citizen living facility with a variety of cookies and some Christmas gifts. We were entertained by the Seneca Soundwaves, singing our favorite Christmas songs. I believe a good time was had by all.

Jean

Christmas tree at Vienna Gardens with gifts brought by members of Wayne Drumlines.

Relaxing to the Christmas songs performed by the Seneca Soundwaves.

A room full of Christmas Cheer.

Message from the Vice-President

The next 2 pages is a tentative schedule of events for 2015. If you have any further ideas for this year or would like to host an event, please let me know. We are always looking for some new events to drive our vehicles to and will happily add them. We will continue with our Nursing Home visits once the weather gets nice and we can schedule.

Pete
