President's Message *May 2016*

Greetings Folks,

Despite our unseasonably mild winter, the warm days of spring seem a bit reluctant to come forth. The meteorologists assure us that warmer weather will get here sometime. In the mean time, this is the time of year when all sorts of information crosses my desk. This past month there were two items I thought were worth sharing here. Both specifically said please share with your members.

The first item is a letter from the Geneva Historical Society a portion of which follows.

April 13, 2016

Richard Stearns
4605 North Rd.
Canandaigua, NY 14424

Dear Richard,

Hello. My name is Kerry Lippincott and I'm the Executive Director of the Geneva Historical Society in Geneva, New York. This year marks the 100th birthday of our 1916 Ford Model T Canopy Express Wagon. To mark the occasion, we are hosting a birthday celebration at Rose Hill Mansion (3373 Rt. 96A in Geneva) on Saturday, July 23. Along with exhibits and a concert, we will be hosting an antique car show on the grounds of Rose Hill. On behalf of the Historical Society, I would like to invite you and other club members to participate in the car show.

Secretary's Minutes

APRIL 2016 MINUTES

The April 20, 2016 meeting was held at the Phelps Community Center. It was opened at 7:30PM by our President Dick Stearns and began with the Pledge of Allegiance to our flag. 24 members were present. Our speaker from the Community Center forgot about us. Hopefully we can get her to come back at a later time.

SECRETARY'S REPORT - A motion was made by Rusty Smith to accept the March minutes. Seconded by Pam Heald. Motion carried.

TREASURER'S REPORT - Rita Canavan, Treasurer, reported on our accounts. A motion was made by Rusty Smith to accept this report. Seconded by Joel Neal. Motion carried.

BOARD OF DIRECTOR'S REPORT - Matt Canavan had nothing to report. The Website needs a software upgrade. Other than that, there is nothing new with it.

SHOW COMMITTEE - Matt had talked to George O'Neil this morning. They will be back for the next meeting. Dave and Barb Dorf are going to document what they do for the Car Show. Joel Neal will coordinate the catering for the Saturday of the Car Show.

MEMBERSHIP COMMITTEE - Hank Goellner, Chairman, is getting ready to publish the 2016 Roster. Let him know of any corrections or additions in the roster and is still taking dues. Lars Anderson had E-Mailed a new form for membership in AACCA. Hank read a letter of resignation as Membership Chairman as of October. Any one interested, please let him or Dick Stearns know.

CONCERNS FOR MEMBERS AND ANY CORRESPONDENCES RECEIVED - Jim Duffy fell and is in Strong Memorial Hospital. He isn't doing well.

BUY SELL OR TRADE - None

OLD BUSINESS - Dick Stearns and Joel Neal went to the Early Ford V8 Club Flea Market on April 3rd. Didn't get much response for new members.

NEW BUSINESS - If anyone knows of a speaker for the meetings, let Pete Empson know.

UPCOMING EVENTS FOR 2016: To be listed in the Headliner.

President Dick thanked the refreshment committee which consisted of Rita Canavan and Isabel Potter.

Refreshments for the next meeting on May 18th will be Donna Goellner and Amy Ressue to be held at Phelps Community Center.

The Door Prize winner was Norma Herendeen and Dave Lentz. The 50/50 winner was Steve Heald.

The meeting was adjourned at 8:00PM by a motion from Rusty Smith and seconded by Rita Canavan.

Respectfully submitted by:
Donna Goellner, Secretary

Looking Ahead

We have been invited by Leah Hamilton, Phelps Library Manager, to take a tour of a very unique facility in the Library during our May meeting. It is known as the STEAM lab and no, it is not about boiling water. I am told there are only about 16 such facilities in the country. I had the privilege of touring the lab after our last meeting and was impressed.

Message from the Vice-President

Jean and I were in Carlisle, PA to the Spring Swap meet at the time of the last meeting and had left with the understanding that Janie Burgess, Executive Director of the Phelps Community Center was attending the April meeting. For whatever reason her phone calendar did not remind her and she missed the meeting. She extends her apologies. We have rescheduled her for the June meeting.

Pete

Geneva Historical Society's
1916 Model T Ford

We were very interested in the memories Amy Ressue shared with us at the March 16th meeting and we 'fairly new' members would be interested to learn a little history from our other long-time members.

Recently we have emphasized recruiting new members; however, we all know that our long-time members are the 'heart' of the club. Anyone interested should contact Pete Empson to be added to the program at one of our regular meetings.

Applications for the show will be accepted as long as space permits. On the day of the event cars may begin arriving at 8 am. Public display begins at 10 am and the event runs from 12 pm to 4 pm. This is a rain or shine event. A non-refundable car registration fee of \$10 is required. All passengers will be admitted for free. Proceeds from the registration fees benefit the Geneva Historical Society.

To reserve a space, a completed registration form must be submitted by Friday, July 1 with a check payable to the "Geneva Historical Society." Completed forms and checks can be mailed to the Historical Society at 543 South Main Street, Geneva, NY 14456.

Enclosed is a copy of the event registration form. Please share it with your club members. For more information, please contact me 315-789-5151 or director@genevahistoricalociety.com. Hope to see you on July 23!

Sincerely,

Looking Ahead

Anne Rapp requests everyone start thinking about the July Wizard of Clay / Lunch at Schooners gathering. She will need a head count at our June meeting.

Any member who would like to host an event not already listed in our calendar is encouraged to contact Pete Empson. Remember, this is your club. Activities are what keeps everyone interested.

Please help us support the local food cupboard. Even though the weather is slowly getting warmer, the need is still great and every item donated is appreciated.

Q: Where was the first drive-in restaurant?

A: Royce Hailey's Pig Stand opened in Dallas in 1921.

Some members have suggested that we list the local cruise nights for members who wish to participate on really nice summer nights (which will be becoming sometime.) To the right is a list of several cruise nights for which we currently have information to share.

This is not a recommendation by the club and is for information purposes only. Please let us know if you have information to share and we will include it in the next edition.

President's Message continued from page 3

Recently some of our members lent a hand to the Historical Society to get the old girl running again. Also of particular note, this truck was purchased as a chassis only and the body was built by Geneva Wagon Works.

The second item is from Dick Senges and though I am unaware of any of our members having any historic military vehicles, if this idea works, it will add another area of interest to the Geneseo War Bird Show.

There appears to be interest in displaying historic military vehicles at the Geneseo Air Show, Geneseo, NY, July 9th and 10th, 2016.

This display would be in a separate area away from the military re-enactors. The military re-enactors in period uniforms and MVs would be encamped as usual.

Military uniforms are NOT required for the separate MV display area.

Membership in the MVPA, FLC, ESW or NYPENNN is NOT required.

This separate display of MVs has been approved by the management of the Geneseo Air Show. The management would like to know how many and what kind of vehicles would be displayed.

If you are interested in displaying your historic MV, please contact Richard Senges, MVPA-Finger Lakes Chapter Secretary and Editor:

OCRR@frontiernet.net or 585-924-8379

These two items are but a sampling of the myriad of notices about shows and special products that have come in this past month but I thought they were close to home events that might be of interest our members. See everyone at the May 18th meeting

Dick Stearns

1931 Model A Ford

Owner John Mulford

My uncle bought the 1931 Model A Ford in 1939. It was a Sears and Roebuck company vehicle at the time. He used it to commute to Rochester to teach school. He then gave it to his mother, my grandmother, to drive. She traded it to a neighbor boy for some work in the late 40's much to my dismay. The neighbor pretty much destroyed it and left it in the cow pasture to rot. I was able to trade it for a coupe in 1957. It was a pile of parts by then. It took a number of years from that point to restore it.

I still have fond memories of riding in it, with my grandmother, as kid.
