## *President's Message*

### *September 2015*

Greetings Folks,

I promised Jean I would be brief this month to leave her some extra room.

First of all, thanks to everyone who helped make our 38th annual car show a success. Everything went well and we had many kind words from our guests about what a wonderful show we put on. The final count was 257 cars. A review of the show will be presented at our September meeting.

Speaking of the September meeting, our directors and officers have suggested we try starting our meeting at 7:15 instead of 7:30. This is an idea to help us have everything wrapped up and cleaned up before 8:30 so we can be out of the Community Center by the 8:30 closure time. We will try it and see how it works. Social hour will still start at 7:00.

While we are thinking of September, the President's Porch Picnic Party will be September 12th with a rain date of September 13th. That is 4 Ps, one better than the 3 Ps, Pierce, Peerless, and Packard. Please bring your guests and some chairs. We hope to serve about 1 O'clock and everyone is welcome any time after 12 noon. We will have our traditional line-up of antique, classic, and collector cars along North Road in our front yard.

Thanks go to Rusty Smith. She has got our fall banquet all set at Midvale Country Club for October 18th from 1 to 4. Our speaker will be Ray Henry, Canandaigua Town Historian. He has a very interesting talk about the steam boats on Canandaigua Lake. After this summer, this is probably the last time we will hear about steam for a while. Full disclosure for the banquet will be at the September meeting.

See everyone soon.

*Dick Stearns*

## Thank you note

Good day to all the fine folks of the Wayne Drumlins Region, Inc., AACA Members \*

Just a short note of appreciation for your outstanding auto show last Sunday. I was truly surprised when my 1957 Chevrolet was awarded Best of Show over the many beautiful cars at the event. It was truly a great honor receiving this award and one that I will long cherish.

It is always a pleasure to have a venue to show my Nomad and chat with the numerous spectators and participants at an event.

Thanks again for the great show and wishing you continuing success in the years to come.

Cheers.

Bill Iveson
