## President's Message August 2011

Letter to members of Wayne Drumlins

We had a great time at Rapp's. Thank you Carl and Annette for hosting us again. Usually the July business meeting is perfunctory except for George's organization of the many requirements of our Marion Car Show. So I tried to rush through the agenda to wrap things up quickly. Well, that didn't work because other things needed to be done. Actually I was glad to hear so many members who are really involved in the Club speak up. The informality of being outdoors seemed to help us all communicate.

Sunday, August 21st is our big Annual Car Show in Marion. Remind all your non-member friends that this is one of the best late summer shows in western New York. On Saturday morning before the show we get together to prepare the show field and every year there are some minor changes to try to make it better. This show is a lot of work but it's wonderful to see the great cars and hear from all the people who really enjoy our event.

Loren Gifford
