President's Message July 2010

I'm so proud of our club. So many members participated in the AACA National Meet in Canandaigua last month. Whether as a trophy committee member, parking cars, just being there when an extra hand was needed, or showing a car, the Wayne Drumlins sure did step up. And maybe we should take credit for keeping the rain away on show day too! The meet chairman, Pat Thorpe, has submitted a letter to our club found elsewhere in this issue.

And the fun continues. Pamela and I travel to Louisville, Kentucky the first week of July with our Maxwell to attend the AACA 75th Anniversary Meet. It's a birthday party of sorts, and will be a great event with meetings, seminars, and some interesting tours. To change things up a bit, the show will be held indoors.

Plans continue to take shape for our annual show. Be sure to get those fliers and posters out for the public to see. Our show is one of the most highly regarded in the area because of the dedication our club has to making it the best it can be.

This time of year, any well run business starts seriously planning for the next year. I'd like to challenge our members to begin thinking about how each of us can have an impact on our club for 2011. Please consider taking an office, heading a committee, hosting an event, planning an overnigher, etc. I know that most of you have performed one or more of these duties in the past, but please consider doing them again. Your club needs you.

Our next meeting is July 21st at Carl and Annette's. Bring your lawn chairs and your favorite ice cream topping... and forget that diet.

Keep the motor running.
-Steve.

Leslie Askin Secretary

Please remember your non-perishable food items for our local food cupboard. They are grateful for whatever you can bring.

Weedsport
Stock Car
and
Classic Car
Museum

It is time to start thinking about going to the Weedsport Stock Car and Classic Car Museum. It will be on Saturday, September 4th. We will need a final count on August 14th at the Saturday night picnic. We will leave from the Dollar General Store in Lyons around 1:15pm. Tour the Museum and then go to dinner after—around 3:30pm. It only takes around 1 hour to tour, it is a cool place and real easy walking for everyone. So let's all think about it.

Annette and Carl

Car Show Reminders:

Please bring your door prizes to the meeting on August 11th or to the setup/picnic on August 14th.

Please remember to bring your items for the ladies flea market to the setup/picnic on August 14th.

Please sign up for a job—there is a job for everyone and if everyone does a little, we can all enjoy the day.

UPCOMING TRIPS

The Jell-O Gallery has a large new exhibit that reflects Bill Cosby's influence over thirty years. Also, listen to entertainers Kate Smith, Jack Benny, Lucile Ball as they promoted the Jell-O product over the radio air waves. See television personalities Andy Griffith and Gomer Pyle along with Bill Cosby as they pitch your favorite dessert, Jell-O.

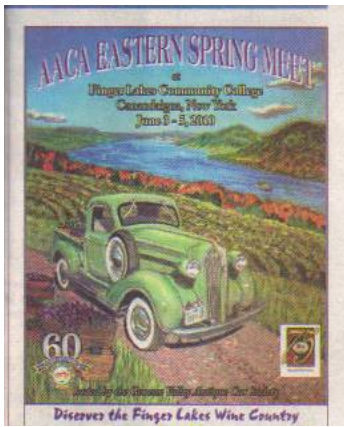

Cooks' Corner

Strawberry Chiffon Pie

- 1 (3oz) pkg. sugar free strawberry gelatin
- 3/4 c. boiling water
- 1-1/4 c. cold water
- 1 c. frozen whipped topping, thawed
- 2-1/4c. Sliced fresh strawberries, divided
- 1 (8 inch) reduced fat graham cracker pie crust

In a large bowl dissolve gelatin in boiling water. Stir in cold water. Refrigerate until slightly thickened. Fold in the whipped topping and 2 cups of the strawberries. Pour into the crust. Refrigerate for 3 hours or until set. Garnish with the remaining strawberries. Makes 8 servings

2010 Eastern Division National Spring Meet

At this point, the 2010 Eastern Division National Spring Meet is now one for the history books. For many of us, this endeavor took almost 2-1/2 years of our lives, and at many times planning the operation for this meet was a full time job for me, as well as many of the dedicated committee chairs.

I have had so many positive comments from the community, fellow GVACS members, our AACA National Directors, and many of the people who brought their cars to our meet. Since the meet ended, I have had so many people tell me that GVACS has raised the bar when it comes to hosting a national meet, **IT WAS THE WAYNE DRUMLINS REGION WHO HELPED GVACS PUSH THAT BAR UP.** My father and I go to a fair amount of meets each year, and I can't tell you how strange it was to see so many people we know in our own stomping grounds, but it's even stranger to go back to FLCC, Steamboat Landing and some of the other areas of Canandaigua and see everyone GONE. As I've mentioned before, 2010 is the 75th anniversary of our national organization, and the 60th anniversary for GVACS. The GVACS Region was blessed to have been the only region to be able to host the Eastern Division National Spring Meet during such a banner year, and with the support that we received from the **WAYNE DRUMLINS**, and from the feedback that I've received, **WE DID IT WELL.** I am already receiving requests from National Directors and meet participants to do another meet here in Canandaigua. So many people have already said that they want us to bring the cars back. The decision will be up to the general membership, but if the people who supported me on this meet are willing to do this again, I'll step up to the plate and do it again. If not, then we, the members of GVACS, and the Wayne Drumlins, can sit back and say that we did one meet, we did it well, and if we never did another event, we'll have nothing to be ashamed of. There were many aspects of the meet where we **DARED TO BE DIFFERENT**, and in

many cases, the changes that we made were very well received.

There are so many people that I can't begin to give credit to, so rather than take the chance of forgetting someone, I would like to thank your president, Steve Heald, Carl Rapp, and everyone who stepped up to the plate to make this a very well run and memorable event. GVACS had a very successful meet, **but it wouldn't have ever been without the support and dedication given to us by the Wayne Drumlins Region.** Regardless of what anyone ever says or does, you can honestly say that the Meet Chairman has told you that **IT WAS THE WAYNE DRUMLINS WHO HELPED THE RUBBER MEET THE ROAD.**

Now that all of this is over, the words Thank You are not enough to show my appreciation to all of the people who stepped up to the plate and helped make this meet a success. Some of you know that seldom am I a man of few words, but the event and the response that I have received from everyone has been very overwhelming.

As a Meet Chairman, it has been an honor to serve as a key role, in an AACA National Meet during a very historic year AACA. **THANK YOU** for promoting our community to the membership of AACA, **THANK YOU** for promoting AACA to our community, **THANK YOU** for your time, effort and support, and **THANK YOU** for a job very well done. At this point, I can only hope that a Thank you is enough for all of the support given to me by the Wayne Drumlins.

Pat Thorpe

Note of Thanks

Carl and I would like to thank everyone who was on the trophy committee. Taking time for meetings and assembling trophies and those who offered cars and trucks to deliver all those boxes on Saturday afternoon and set up. Then there are those who stayed to keep an eye on all the trophies so some of us could get cleaned up for the awards that evening. To the spotters and the people who hung out till the end to help and to all a BIG THANK YOU!! To Steve a big thank you for answering lots of questions and taking lots of phone calls.

Thanks you so much
Carl and Annette
