## President's Message July 2012

At the May meeting, Loren discussed the upcoming Collector Car Appreciation Day. This is actually the third annual appreciation day, and it is supported by a U.S. Senate proclamation that declares July 13<sup>th</sup> as Collector Car Appreciation Day. This is a step in the right direction for two reasons: first, it is recognition of a hobby that is huge but frequently threatened by restrictive legislation on a federal and state level, and two, it indicates that the Senate can actually work on a bipartisan level when it wants to! The Senate proclamation was sponsored by the Congressional Automotive Performance and Motorsport Caucus, with representatives from both major parties. I have never heard of this group, but more power to them as the inside contact point for those representing our interests in our nation's capital.

Our club may not have any actual activity planned on July 13<sup>th</sup>, but we sponsor one of the area's oldest and largest classic/special interest car shows at Marion Town Park, this year on Sunday, August 18<sup>th</sup>. This provides the hobby with high visibility by showing the strength of interest in cars. Just pray for good weather – we're due for a sunny day! And we have a few other club activities that get our cars out on the road and in the public eye, which provides an opportunity for on-going interest. Everybody has fond memories of cars from their past and we need to translate these memories into action by finding new members to ensure our club flourishes for years to come.

Enjoy our upstate summer!

Matt

## Twin Tiers Fun Meet on June 3

Line up at Twin Tiers Fun Meet

Seven of the Wayne Drumlins members attended the Twin Tiers Fun Meet in Horseheads on Sunday, June 3rd. We left Geneva at 8:30 with cloudy skies. We ran into sprinkles on the way, and arrived around 10am. We all hoped for sunny skies, but the rain gods had other plans. It was not a wash out, but it did rain on and off all day. We did enjoy the Museum, the cars, lunch, good friends and met some new ones. Our group also won a trophy. How about that! We travelled the longest distance and had the largest club participation.

We made the best of it and had a pretty good time. We returned to Geneva and some of us stopped by Uncle Joe's for dinner. Maybe we can try again next year. We are looking forward to seeing some Twin Tiers club members at our Show in August.

Jean

## Legendary Auto Interiors Car Show on June 24

This Desoto caught our eye at the Legendary Auto Interiors Car Show on June 24th. This was their 3rd Annual Show, but the first for Pete and I. It was a picture perfect day for a car show. Several Wayne Drumlin members were there. They had a nice showing of 125 cars. Legendary conducted tours of their Newark Plant. It has grown quite a bit since the last time we toured (5 or 6 years ago). It almost looks like they need to expand again. It is nice to have such an auto vendor so close to home. Pete and I have been a satisfied customer several times and they are always expanding their product lines. We were given new catalogs, if anyone is interested in viewing, give us a call and will be glad to share.

## Games Day 2012

Barb Dorf and Sally Morrow parked Loren's smart car in the garage after a crazy and wild spin around the parking lot—blindfolded. You had to have been there for this one.

### Pete and Jean getting "fireman ready"

Bob tried his hand at the cabbage roll with Bev at the wheel.

### Barb and Dave –winners of the fireman's challenge

Marion and George came in a close second in the cabbage roll.

Char and Bill were winners of the cabbage roll
