President's Message June 2010

We're having fun now. The cars are coming out of their hibernation and are getting a chance to flex their muscles. We've gotten the Maxwell and the Mora out of their museum home and are getting them prepared for the big meet in Canandaigua. They both started on the first pull of the crank (after I remembered to turn on the key of the Maxwell). I hope that you all have had a chance to find out how well your cars start this spring as well. The show and driving season is upon us after a long winter and it's time to get it out, wash it off, and take it out for some fun.

Pamela and I traveled to New Bern, North Carolina last month to attend the AACA Annual Grand National Meet with our Browniekar. The weather was H-O-T and we had a ball. In addition to the show itself (which was held on the streets of the town), we caught up with old and new friends, and went to a for-real "pig pickin'" on Friday night. Oh, and yes, the Browniekar won a First Prize Grand National award. That little car has gone places since it was shown at Marion back in 2005. National meets and tours are a whole lot of fun, and I heartily recommend participating in them. Your car doesn't have to be "perfect"; there's room for all.

Several of our members will have the thrill of displaying their car at the Eastern Division National Spring Meet in Canandaigua this month. And many others have already had some fun as they've taken on their duties as our region's volunteers in helping with the meet. I'm so proud of the way our club has stepped up to lend a hand. And believe me, it hasn't gone unnoticed by those outside of our club.

At the last club meeting, George O'Neil reported on the initial plans that are taking shape for our annual show. If anyone has ideas for the show, now's the time to make them known. I'd also like to thank the meet chairman for the Canandaigua meet, Pat Thorpe, for coming to our May meeting to talk about the "Big Show".

Our next meeting is June 16th at the Phelps Community Center; I look forward to see you there. Hopefully, I'll see many of you in Canandaigua!

Rev it up.
-Steve.

MAY 2010 MINUTES

The May 19th, 2010 meeting held at the Phelps Community Center was opened at 7:30 pm by our President Steve Heald and began with the Pledge of Allegiance to our flag. 49 members were present.

SECRETARY REPORT- A motion was made by Stan Herdman to accept the meeting minutes as published in the Headliner. Seconded by Dave Dorf. Motion Carried.

TREASURER REPORT- Treasurer Report was given by Treasurer, Rita Canavan. Proper IRS forms have been submitted. A contribution was made to the White Springs Fire Dept. in memory of Peg Knowlton. A motion to accept the report was made by Jean Empson and seconded by Marion O'Neil. Motion Carried.

BOARD OF DIRECTORS- Bruce Knowlton, Chairman was absent.

SHOW COMMITTEE- George O'Neil Chairman reported the 2010 flyers were completed and distributed. Changes have been made to the upper classes.

MEMBERSHIP COMMITTEE- Janet Knowlton, Chairperson reported that the rosters are updated for 2010 and distributed.

CONCERNS FOR MEMBERS AND ANY CORRESPONDENCES RECEIVED- We received a thank you from the Phelps Community food cupboard. We also received a thank you from Bruce and Janet Knowlton. Floyd Matteson passed away.

BUY SELL OR TRADE- Gerald Lynn has a pop up camper for sale.

OLD BUSINESS- Steve Heald completed the quarter page add for the Eastern Spring Meet Program. The add was reviewed by the members and approved.

Rusty Smith reported on the cost of a charter bus for the trip to the Buffalo Transportation Museum. Carl and Anne Rapp reported that the Weedsport Stock Car Museum is very interesting. The Trip will include dinner.

Bev Good advised that the Seneca County Fair would like to have cars come to the fair grounds on July 20th for a car show. Pre-registration is required.

The Jello-O Museum trip has been rescheduled to August 28th and a farm co-op visit has been added.

Matt Canavan gave an update on progress made to date on the new web site. A domain name of www.wdauto.com has been selected. Matt requested a copy of the event calendar to be e-mailed to him for addition to the web site. A motion was made by Rusty Smith and seconded by Pam Heald to pay the AACA national web master for services provided.

NEW BUSINESS- Pat Thorpe Chairman of the Eastern Spring meet and GVAC member gave the club an update and overview of the upcoming Eastern Spring meet to be held in Canandaigua. Pat reminded everyone to be a participant in the car show and related events that you must be pre-registered. Club members will be helping with parking and trophies. A couple members will drive golf carts. The Wayne Drumlin Banner will be displayed in a prominent area.

Upside Down Dutch Apple Pie

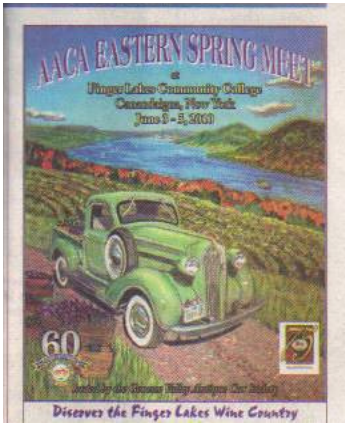

6-7 lg. apples, granny smith or good pie apples
2 eggs
3/4 c. sugar, brown or white
1/2 c. melted shortening
1 c. flour
1 tsp. vanilla
2 tsp. cinnamon

Peel and slice apples for pie. Place in a greased pan (9x13 or cookie sheet) and cover with cinnamon and sugar (mix together first...save 1/3 cup for top). Mix remaining ingredients and pour over apples. Sprinkle remaining cinnamon and sugar. Bake at 375 degrees for 45 minutes.

Web-Site Development Status Report

I have been busy, but have had a couple of conversations with Peter Gariepy from AACAA. He is going to buy our domain name and send me the invoice. It's about \$15 every two years. I asked for waynedrumlin-sauto.com. My research indicates that it's available. Peter suggested we might go with an acronym since it's easier to remember (e.g., wdauto.com), but I told him that I thought we needed the club name spelled out to make it real for club membership, especially some of the older, less web-savvy members. He understood completely. We also decided to go with open source products, such as wordpress.org or joomla.org (I'm looking at both). These are content management systems. What this means is that the web-site is built right on the server and is immediately available. I would use an internet browser to log onto the server to do updates, enhancements, etc. This is opposed to buying software for my PC, building a web-site on my PC, and then uploading it to the server. This type of web-site is hard-coded and needs to be re-loaded to the server when changes are made. There's a learning curve on my part, but it shouldn't be anything I can't handle. The next step is to build a Word document with as much detail as possible. I thought I'd start this based on the scheme we have put together thus far. The Word doc then is used to fill the web-site using one of the open source products mentioned above. Hope this makes sense. It's a bit new to me, but it actually is the contemporary way to build and maintain a web-site. And given the pace that technology changes, we might as well get on board with the latest before it changes to the next "latest".

Members of the Wayne Drumlins Antique Auto Club make short work of assembling trophies for the AACA Eastern Spring Meet. Assembling trophies is only the beginning. We will be responsible for the delivery and set up on

Show Day—June 5th. Other members of the club have volunteered to drive golf carts for the officials and others to assist with parking. What an event to have so close to home. Let's hope the weather continues to be good and everyone has a chance to participate and enjoy the show.

SOCK HOP

AT DEMAY LIVING CENTER

Wayne Drumlin members were invited to a sock hop at the DeMay Living Center in Newark on May 13th. The weather was cool and threatening rain, but a couple of diehards turned out. Don Combes in his 1965 Rambler and Pete & Jean Empson in their 1984 El Camino. After the residents braved the cold, Don, Pete and Jean headed for Bee Tee's for some nourishment.
