President's Message November 2011

Letter to members of Wayne Drumlins,

This week it snowed, but last Sunday, October 23rd was a perfect Fall day for a drive. The blue sky was dotted with fluffy clouds and most of the yellow and red leaves were still on the trees. On Routes 5 & 20 we saw lots of hot rod trucks and even a few convertibles and old cars. This would have been a wonderful day to have a Wayne Drumlins tour through the countryside, but we did not have one scheduled. With the weather getting more unpredictable year round, I can understand the hesitation to settle on a date and make a commitment to leading us on a back road adventure. Maybe there is a way we can have more fun with spontaneous activities. Somebody joked about having a "flash mob" car show because we don't seem to know when the weather is going to be good. (A "flash mob" is when one person sends a cellphone text message to a bunch of people to show up somewhere on short notice to do something silly.) Of course, we can't do a big show that way, but we could do small impromptu club events. Let's start by collecting a list of names and cellphone numbers. Mine is 585-690-5329. Text or call me and your car club friends if you get a crazy idea and want to hit the road on a nice day.

Hershey 2011

Wow!, I can't remember better weather than what we experienced this year. Pete and I arrived on Wednesday as usual and took in some of the Red field. We left early on Wednesday to do a little junk yard pickin' in Palmyra. Pete was able to get a transmission pan for the '66 Charger to hopefully stop that pesky leak. Thursday was a busy day, taking in the rest of the Red field and the Chocolate field. Friday of course we try to squeeze in the Orange and Green field. We of course found a few things we didn't know we needed until we saw them. Saturday we started with the Car Corral and then on to the Show. It was a beautiful day with many outstanding cars. It is hard to believe it is behind us for another year. One vehicle that we saw this year that we thought we would share is a 1956 Pack-up. It was a "Clipper Super" manufactured by Ross Miller of Maryland.

Thank you Note:

I would like to thank Loren and Martha for hosting the President's picnic at their lovely home. As always a large variety of good food including many desserts. The afternoon was enjoyed by all relaxing and visiting. It was a beautiful day and we thank you very much.
