## President's Message October 2010

Give me an H, Give me an E, Give me an R-S-H-E-Y! What does that spell? Hershey! By the time you receive this issue, Pamela and I will already be at the Mecca of the antique car hobby. The miles of rusty, greasy parts, the cars for sale and being shown, the food, and especially the people are just around the corner. This year will be a little different experience with added responsibilities every night of meet week. Meetings, dinners, auctions(!), and receptions will keep us busy each night. And of course, during the days when I'm not working the library tent or the AACA membership booth, there's the thrill of the hunt.

After Hershey, the party's over. Then it's officially fall. The job of putting the cars away for another long winter is at hand and thoughts turn to all of those projects that were put off while the weather was so nice. It's my wish that you all took advantage of every opportunity to enjoy the events during this wonderful summer.

A big thank you goes out to Bob Good and Dave Dorf for volunteering to serve as the officer nominating committee this year. Please consider saying yes when they ask. If you have any suggestions on who you'd like to see in any of our elected offices, don't hesitate to let the committee know. And remember, the November meeting is election of officers. Your vote counts.

And speaking of votes, please consider the candidates running for the national board of directors. The voting card was included in the most recent issue of Antique Automobile magazine. I'd ask that you make special note of the biography printed in this issue of the Headliner of one candidate whose information was erroneously omitted from the others in the magazine. I won't tell you who to vote for, but please vote for the seven candidates that you feel would do the best job for AACA and the hobby.

Ah, the smell of chocolate in the morning!

Motor On,  
Steve.

## SEPTEMBER 2010 MINUTES

The September 15th, 2010 meeting held at Norma Herendeen's home was opened at 7:10 pm by our President Steve Heald and began with the Pledge of Allegiance to our flag. 45 members were present and 1 guest for the President's picnic.

SECRETARY REPORT- A motion was made by Rusty Smith to accept the meeting minutes as published in the Headliner. Seconded by Dave Dorf. Motion Carried.

TREASURER REPORT- Treasurer Report was given by Treasurer, Rita Canavan. A motion was made by Marion O'Neil to accept the treasurer's report. Seconded by Joe Marino. Motion Carried.

BOARD OF DIRECTORS- Bruce Knowlton, Chairman was not present. Steve Heald requested a Board of Directors meeting immediately following tonight's meeting.

SHOW COMMITTEE- George O'Neil Chairman thanked everyone for their support and hard work for this year's car show. George reported that 182 cars were registered, 34 new registrants. Pre-registered cars totaled 124 and 45 of those did not attend. Cars that registered the day of the show totaled 58 with a total of 137 cars on the show field.

A follow up meeting was held after the show by the Car Show committee. Loren Gifford's car will be on the cover of next year's flyer. George reported that the 2 trophies that were broken have been repaired and ready for distribution.

MEMBERSHIP COMMITTEE- Janet Knowlton, Chairperson was not present.

CONCERNS FOR MEMBERS AND ANY CORRESPONDENCES RECEIVED-

Happy Birthday to Loren Gifford. Dot Wallace advised that the Riley's had been in an auto accident and are on the mend. Janet Knowlton is still not feeling well.

BUY SELL OR TRADE- Nothing

OLD BUSINESS- Thanks to George and Marion for another successful car show. Steve thanked everyone for their support at the annual car show. Thanks to Rusty Smith on arranging the Jello-O Museum and dairy farm tour.

Thanks to Carl and Annette Rapp's for the Weedsport Stock Car Museum tour and dinner. Thanks to Norma and Dave for hosting the Presi-

dents picnic. Thanks to Jean Empson for organizing the ice cream runs this year. Jean advised that there will be no more ice cream runs this year. Matt Canavan gave an update on progress made to date on the new web site. Joe Marino requested that consideration be given to changing the schedule of the picnic after the car show set up. Pam Heald suggested that the set up could be later with the picnic immediately following.

NEW BUSINESS- A sign up sheet was circulated by Charlie Bauder for the October 24<sup>th</sup> Curtis Museum tour with dinner following. An admission charge of \$5.00 applies to the museum. Steve Heald advised that there would be an antique car show at Heritage Square in Ontario NY on October 2<sup>nd</sup>. Time is 2 to 4 pm. A letter was received from the Town of Marion thanking the club for our donation for the use of the show field. Steve requested volunteers for the nominating committee. Bob Good and Dave Dorf volunteered.

The annual Christmas party will be 12-5-10 at the Belhurst Castle in Geneva from 1 to 4pm. Rusty Smith will finalize the menu and determine if the agreed to price per person can be maintained if we add a beef selection to the menu. A motion was made by Dave Dorf and seconded by Loren Gifford to accept the proposal to use the Belhurst Castle for the Christmas Party pending the outcome of the menu change. The Board of Directors will make a decision as to what will be paid by the club. Steve thanked all the cooks at the President's picnic and to all who brought a dish to pass.

REFRESHMENTS FOR NEXT MONTH-

Rita Canavan, Pat Race and Allie Weis

DOOR PRIZE WINNER- None

50/50 WINNER- None

Meeting was adjourned at 8:00 pm by a motion from Dave Dorf and seconded by Bob Good.

Respectfully submitted by:  
Leslie Askin Secretary

Dear Region/Chapter President:

A serious mistake was made in the September/October issue of Antique Automobile. In the listing of candidates for the 2011 AACA election we neglected to include the picture and biography of Hulon McCraw. This election is unusual in that it has 12 members vying for 7 seats instead of the normal 11 candidates. Mr. McCraw, to his credit, will not allow us to issue a mailing to all members, but we hope you can reach your fellow region/chapter members via your newsletter or verbally at meetings to point out this mistake.

Hulon's name is on the ballot, but there is no biography or picture in the magazine. As you can tell from his resume, Hulon has been an active part of the AACA national board for the past two terms and is deserving of everyone's consideration. Thank you for your assistance.

HULON C. McCRAW  
Hendersonville, North Carolina

A Life Member of AACA and the Museum, Hulon is seeking his third term on the AACA National Board of Directors. Hulon's interest in automobiles, motorcycles, tractors and old engines began as he grew up on the farm in Western North Carolina. Although generally being recognized as a General Motors enthusiast Hulon admits he is just a wheels man. He has made almost every meet for the past seven years while racking up sky miles awards and Senior Master Judge status!

Since being elected to the National Board in 2005 Hulon served as Vice President of Judges Administration until his appointment to Vice President of Class Judging for 2007. He served as Chairman of the Class Judging Committee, while also serving on the Touring Committee, Data Management Committee and Website Committee. Hulon has been Vice-President of National Activities, a job that saw him crossing the country for several years filling our meets and tours schedule. Hulon currently serves the club as Vice-President of National Awards. While serving his first term on the National Board Hulon is proud of his role in enhancing the Preservation Award, AGNM Award and implementing the Certi-

fied Team Captains program.

He and his wife Linda are active members of the Great Smoky Mountains Region and the Transylvania Region in Western North Carolina. On the regional level Hulon served as tour director of the Southeastern Divisional Tour in 2004 and assistant meet chairman for the Southeastern Spring meet in 2006. Hulon has also served as the President of the Great Smoky Mountains Region.

As busy as Hulon is at the National and local level one might wonder where he finds time to continue restoring and showing vehicles at AACA events. Hulon admits that the Driver Participation and HPOF Classes have helped keep him in the showing arena while restoring a Puch Motor Bike that has won its Senior GN award. Hulon has two other vehicles with Senior GN awards a 1957 Chevy Convertible and a 1968 RS Camaro convertible. He has two vehicles with HPOF awards a 1958 Cadillac and a 1982 Triumph Motorcycle and two Driver Participation vehicles a 1976 Mercedes and a 1979 Oldsmobile Tornado, the first car Linda and Hulon kept long enough to pay for.

Hulon strongly believes in getting young people involved in the antique automobile hobby. He has sponsored the membership of a young adult student member for the past numerous years and continues the membership of his grandchildren, the youngest being two years old. Two of his grandchildren are now student members.

Hulon has always been an avid supporter of all three entities of AACA, The Library & Research Center, Museum and AACA.

The Sept/Oct issue of the AACA Antique Automobile magazine contains on the cover a membership renewal form for 2011 membership.

Don't forget to pay your AACA dues in a timely manner so you have confirmation prior to paying your club dues. I will be collecting our club dues at the November meeting or if you cannot attend the November meeting you can send your dues to me along with a copy of your AACA membership card for 2011.

Janet Knowlton, Membership Chairman

## Weedsport Stock Car and Classic Car Museum

If anyone is interested in ordered club sweatshirts or jackets, let me know at the next meeting or send me an email @jempson@flt.net.

Saturday, September 4th was a beautiful day for a ride in our "older vehicles". We met at the Dollar General in Lyons or maybe it was the Family Dollar or was it ??? Anyway we all found a place to meet and embark on our way to Weedsport. The museum had some nice memorabilia and a few cars that caught our eye. I have included some pictures. There were other things that caught an eye or two—ask Annette and Barb. After our tour, we traveled to the local diner, "Arnolds". We had a great meal, conversation and even a few had room for dessert. I believe the event was without incident unless

you talk to Dave and Barb who had to stop for gas. I think the pump had a little problem or Dave's new ride uses a whole lot of gas—\$722.00 worth ??? What kind of tank did he install in that panel truck?
